

## NATIONAL GENEALOGICAL SOCIETY SEEKS NOMINATIONS FOR THE NATIONAL GENEALOGY HALL OF FAME

Would your society like to honor a genealogist whose unique, pioneering, or exemplary work lives on today? Perhaps there was a notable genealogist in your state or county whose name should be memorialized in the National Genealogy Hall of Fame.

If so, the National Genealogical Society would like to hear from you. NGS and the National Genealogy Hall of Fame are seeking nominations from the entire genealogical community for persons whose achievements or contributions have made an impact on the field. This educational program increases appreciation of the dedication and useful advancements achieved by committed genealogists whose work paved the way for researchers today. This is an opportunity for your nominee to receive national exposure for their contributions to genealogy.

Since 1986 when Donald Lines Jacobus became the first genealogist elected to the National Genealogy Hall of Fame, thirty-six outstanding genealogists have been recognized for their contributions. The honoree will join this select group of distinguished members. The 2022 winner, and the society that honored the nominee, will be feted at the annual NGS Family History Conference in Sacramento, California in May

Nominations for election to the National Genealogy Hall of Fame are made by genealogical societies and historical societies throughout the United States.

Guidelines for nominations:

- A nominee must have been actively engaged in genealogy in the United States for at least ten years, must have been deceased for at least five years at the time of nomination, and must have made contributions to the field of genealogy judged to be of lasting significance in ways that were unique, pioneering, or exemplary.
- The National Genealogy Hall of Fame is an educational project in which the entire genealogical community is invited to participate. Affiliation with the National Genealogical Society is not required.
- The National Genealogy Hall of Fame Committee elects one person to the Hall of Fame annually. Those elected are permanently commemorated in the virtual Hall of Fame on the NGS website. See <https://www.ngsgenealogy.org/hall-of-fame-members/>.

- Nominations for election to the National Genealogy Hall of Fame are due by 15 December each year.
